Orphan Care

Your Business Can Help an Orphan Find...  
*A Forever Family*

*Connected Hearts Ministry*  
Connecting Hearts and Changing Lives

# What if we told you... **Your Business Can:**

-Help an orphan find a forever family!

-Help a family who is adopting a child with special needs afford to bring them home to their forever family.

---

-Help medically fragile children, and children with special needs receive the medical care they need.

---

-Help provide necessities and comfort to children in the local foster care system.

---

-And let your customers know that they are doing business with a company who is making a difference both locally and globally for the most vulnerable orphans.

This is what a partnership with Connected Hearts Ministry does for your business. By coming along side of us you are using your business to make a dramatic impact in the lives of the most vulnerable orphans, and telling your customers that they are supporting a company they can feel great about doing business with.

# Give the Gift of... *Adoption*

## Your Support Helps Families Like the Kunz!

The Kunz family represent a growing number of Christian families who are stepping out in faith to adopt. Through generous donors, Connected Hearts Ministry was able to provide over \$9,000 to help the Kunz complete their adoption of their son Dawson. The following is what the Kunz said shortly after arriving home,

*" We want to thank Connected Hearts Ministry for advocating for our son...We can't put into words how blessed and grateful to God we are for our son. He radiates joy, and his smile brightens our life. He longed for a family, and we longed for him..."*

## Your Support Helps Children Like Lili!

When the Reesors felt called to adopt Lili, they were aware that she had some health problems. However, it wasn't until they arrived home that they realized just how complicated and rare Lili's medical problems were. Lili's medical condition affects her digestive, reproductive and urinary systems, and also presents spinal and pelvic defects. In her short life, Lili has already undergone

multiple surgeries and medical procedures, and still requires several more. Through generous donors, Connected Hearts Ministry has been able to provide Lili's family with over \$10,000 to help pay for her medical expenses. As this financial burden has been lifted from the Reesors, they have been able to focus on helping Lili recover, and give her the love and care that she deserves.

### Lili Reesor

Ministry Partners provide funds for costly medical care for medically fragile children, and children with special needs.

## Maggie Joy- Free From Brain Cancer Because of Generous Donors

Maggie Joy is a toddler from China who had a large cancerous brain tumor. Maggie needed urgent life saving surgery to remove the tumor. Through a generous donor, Connected Hearts Ministry was able to provide over \$30,000 to fully fund and expedite Maggie Joy's adoption. After her first doctor's visit in the states, her mother wrote the following:

***"It is a miracle that she is alive. The tumor is so large they cannot see the left side of her brain. The doctor said she should have died. So thankful for Jesus!"***

Through generous donors, Connected Hearts was able to provide additional funds for the family to travel out of state for Maggie to have surgery. **We are excited to announce that Maggie's tumor was removed, and she is now completely cancer free!**

Ministry Partners allow us to maximize our impact by making it possible for us to say yes when vulnerable children need it the most.

# *Foster Care Support*

## **Your Support Helps Children in Foster Care**

Most children in foster care are taken from their family abruptly, and leave their home with little or no personal items. Many times children are given a trash bag to place a few of their personal belongings in to take to their new foster home.

**Connect Cases** are duffle bags filled with essential items that children need when they enter foster care. These cases include necessities such as hygiene products, clothing and blankets. They also include items that provide much needed comfort for children, such as a stuffed animal, a Bible, coloring books and more.

As a Ministry Partner you allow us to provide essential items to children in the foster care system, and let them know they are valued and loved.
